Dear Sherry:

Congratulations for reaching a milestone in ministry—30 years at Rockford Rescue Mission! In a day when new opportunities are constantly emerging and executives are regularly coming and going, your three decades of commitment to the community are indeed something to be celebrated.

Sherry, you have shown yourself to be a forward thinker in a century old “industry.” That’s something that is sorely needed. AGRM is proud to have you in the association. We look forward to not only continuing to serve you, but also to calling upon you to impact your peers even more in the days ahead.

On behalf of the board, staff and members of AGRM, thank you for what you have been and for what you have done. You are appreciated.

Sincerely in Christ,

John Ashmen
President
